Choose a website address for your fundraising page and then click 'create your page'.

The screenshot shows a web browser window with the URL justgiving.com/fundraising-page/creation/choose-url?pcid=2a44b10b-2e08-45c9-99c4-997264b7a8ec. The page is titled "You're raising money for" and features the logo for "inHope project" and "The Wild Goose Drop-in Centre run by inHope." Under "Your event", "inHope Sleepout 2023" is selected, and there is a checkbox for "I'm doing this in memory of someone". The "Choose your fundraising page web address" section has a text input field containing "www.justgiving.com/fundraising/" and a green confirmation bar stating "This web address is available". Below this, there are radio buttons for "I'm happy for inHope. to keep me informed, by email, about the impact of my fundraising and other ways to stay involved including future events, campaigns and appeals." with options "Yes please, opt me in" and "No thanks, opt me out". A note states: "NOTE: inHope. will receive your details and may need to contact you to support you in this fundraising effort. You can update your preferences directly with inHope." At the bottom, there is a checkbox for "By clicking 'Create your page', you agree to our Terms of Service, our Privacy Policy, and have read the Fundraising Regulator's Guidance Notes." and a "Create your page" button. A red arrow points to the "Create your page" button.

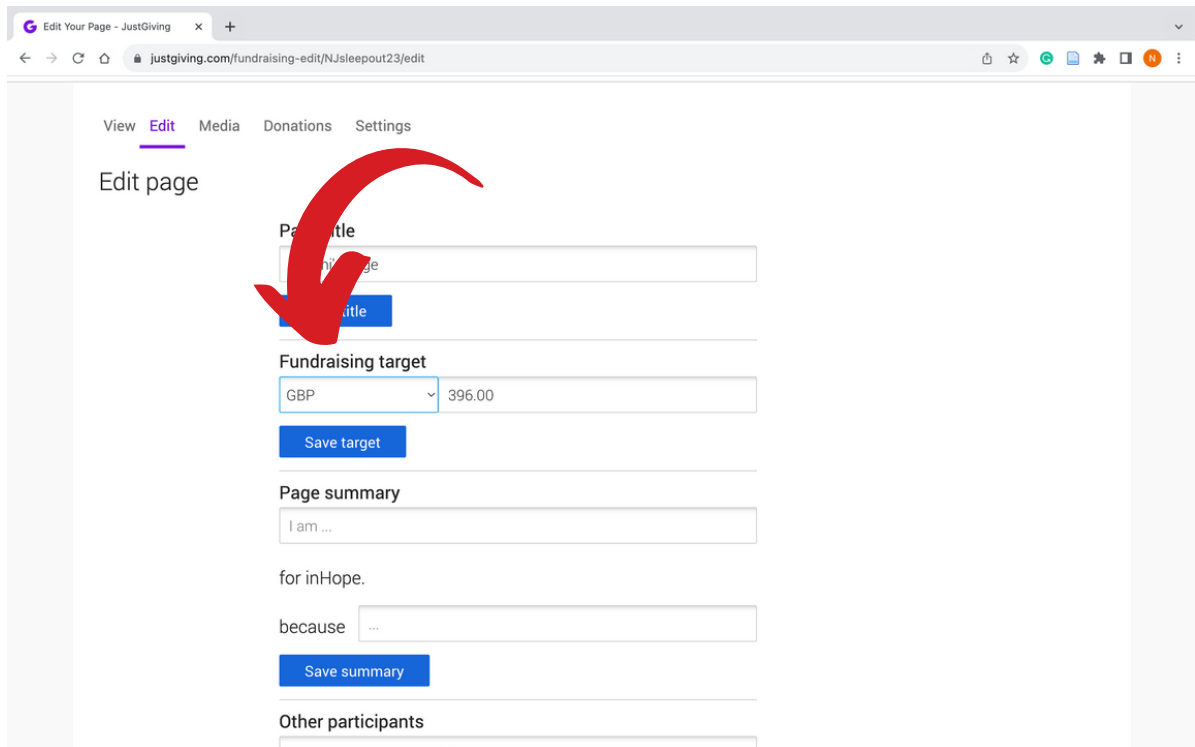

6

Congratulations, you have created your JustGiving page! Click 'personalise' to add a target and make it your own.

7

Set a target, be ambitious! - we'd love for you to aim for at least £396, which would provide meals to the Wild Goose for a day.

8

Add details about what you are doing and **why** you are doing it. Let people know why they should donate to you.

inHope.
